CITY OF  
**ISSAQUAH**  
ECONOMIC DEVELOPMENT

## Seattle/King County Regional Strengths

The Seattle/King County region is the 13th-largest metropolitan area in the United States. It's home to more than 1.9 million people, and is conveniently located halfway between Canada and Oregon.

Our region boasts a booming economy rooted in innovative industries, including aerospace, technology, life sciences and global health. A world-class education system supports research and development at our businesses, and delivers a highly-educated workforce.
